INDEPENDENT AUDITOR'S REPORT

To the Readers of the Performance Report of North King Country Development Trust.

Unqualified Opinion

We have audited the financial statements included in the performance report of North King Country Development Trust on pages 8 to 16, which comprise the statement of financial position as at 31 March 2023, the statement of financial performance & statement of cash flows for the year then ended, and a summary of significant accounting policies and notes to the performance report.

In our opinion, the financial statements present fairly, in all material respects, the financial position of North King Country Development Trust as at 31 March 2023 and its financial performance and cash flows for the year then ended in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not for profit) issued by the New Zealand Accounting Standards Board.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) ("ISAs (NZ)"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities* section of our report. We are independent of North King Country Development Trust in accordance with Professional and Ethical Standard 1 (Revised) *Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unqualified opinion.

Independence

Other than in our capacity as auditor, we have no relationship with or interests in North King Country Development Trust.

Restriction on Responsibility

Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members as a body, for our audit work, for this report, or for the opinions we have formed.

Other Information

The Trustees are responsible on behalf of the entity for the other information. The other information comprises the entity information and statement of service performance but does not include the financial information and our auditor's report thereon.

Our opinion on the performance report does not cover the other information and we do not express any form of opinion thereon.

In connection with our audit of the performance report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the performance report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Board of Trustees Responsibility for the Performance report

The Board is responsible on behalf of the North King Country Development Trust for:

- Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that
 are relevant, reliable, comparable and understandable, to report in the statement of service
 performance;
- The preparation and fair presentation of the performance report on behalf of the entity, which
 comprises the statement of financial position as at 31 March 2023, and the entity information,
 the statement of service performance, statement of financial performance and statement of

- cash flows for the year then ended, and the statement of accounting policies and other explanatory information, in accordance with PBE SFR-A (NFP), and
- Such internal control as the Board determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Board is responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at the External Reporting Board's website at:
